

# Quick Start: Process Automation

REDLEVELGROUP.COM

Workflow automation is the solution to lost time, random results, and low insights of processes.

Is productivity on an entirely new level. Work flows from person to person, system to system, to the cloud and back without bottlenecks or breakdowns. Manual, time-consuming tasks transform into sophisticated processes that propel your business forward, so it can accomplish the things it's meant to. But where do you start?

## DETROIT

40200 Grand River Ave.  
Suite 200  
Novi, MI 48375  
248-412-8200

## GRAND RAPIDS

15 Ionia Ave. SW  
Suite 270  
Grand Rapids, MI 49503  
616-776-1600

**The Quick Start: Process Automation** puts you in the driver's seat to workplace automation. In this series of four half-day workshops, you'll learn how to create online mobile friendly forms, build and implement automated approval workflow. In addition to learning, you'll be mentored through creating a solution with your own data using the suite of Nintex tools.

### » Understand

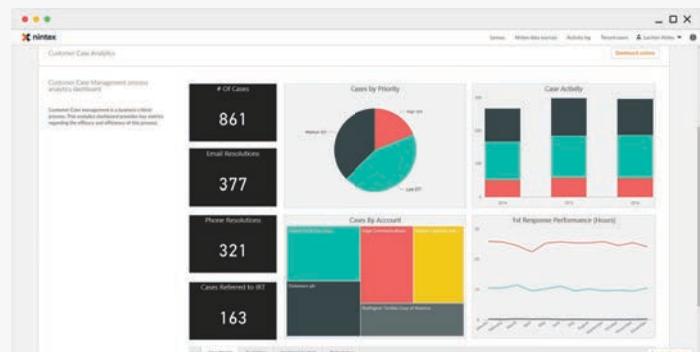

Learn how to create online mobile friendly forms which trigger automated approval workflows.

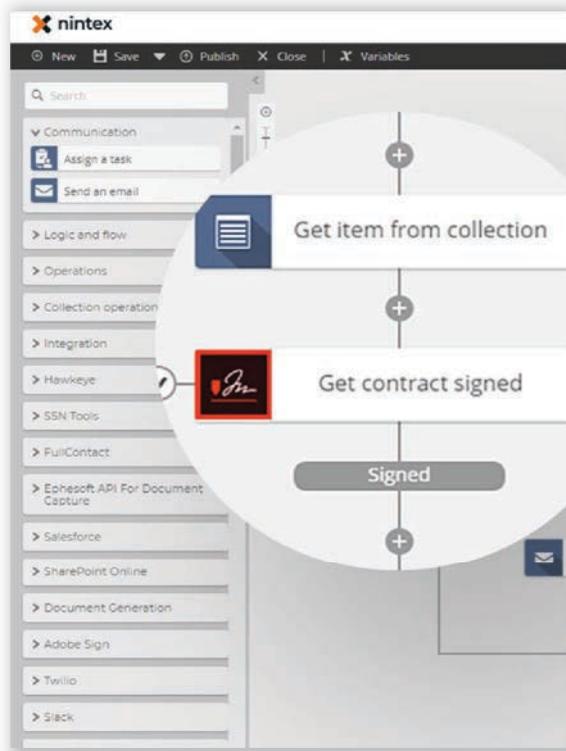

### » Enable

Analyze a current approval processes and create a technical design that will be developed with a custom Nintex form, and approval workflow.

### » Empower

Develop a live solution with a custom form and correlating approval workflow following the best practices and industry insights provided by your trainer.

## I'm ready to Quick Start Process Automation, but... What will we gain?

- » An understanding of how to replace inefficient manual processes with Nintex forms, workflow and document generation capabilities.
- » Best practices for designing Nintex workflows and process approvals.
- » Professional help in designing and developing a live solution with the Nintex platform.
- » A Nintex workflow solution for one of your organizations pressing problems • Post workshop support.

## How will it work?

1. Half-Day Workshops 1 & 2: Learn best practices on setting up a custom Nintex Form and Approval Workflow
2. Half-Day Workshops 3 & 4: Design and Build a Custom Nintex Form and Approval Workflow in your environment
3. 2 -6 hours of post workshop phone support for any issues that may arise
